

CONSTRUCTION IMPACTS

City of El Segundo
Public Works

“NO PARKING” SIGNS

Please note the day(s) and hours listed on the “No Parking” signs so that your vehicle(s) will not be towed away.

ACCESS

Driveway/pedestrian access may be temporarily impacted and vehicle travel lanes may be reduced.

REFUSE COLLECTION

We will work with the City’s Integrated Waste Management Section to ensure that your refuse is collected. If you have a private refuse service please have them contact us.

**City of El Segundo
PUBLIC WORKS CONTACT**
If you have any questions or extenuating circumstances please call:

Maryam Jonas 310-524-2361
Senior Civil Engineer Associate

We appreciate your cooperation and understanding while we work to improve El Segundo.

NASH STREET ONE-WAY TO TWO-WAY CONVERSION

Nash Street from El Segundo Blvd. to Imperial Hwy will be slurry sealed on Saturday, May 31 and Sunday, June 1, 2008

Construction activities are scheduled between the hours of 7:00 AM to 4:00 PM barring any unforeseen circumstances, emergency conditions or adverse weather in which case, work will resume on the next working day.

**If you have any questions or extenuating circumstances please call:
