WANTED FOR ATTEMPTED ROBBERY

On Saturday, October 18, 2008, at approximately 4:20 pm, two male teenagers approached the victim from behind as he walked through the Spectrum Club parking lot at 2250 East Park Place. The younger suspect (S1) jumped on the victim's back and began to choke the victim, while the older male (S2) began to punch the victim in the face and upper body. The victim was able to throw S1 from his back. S1 then asked, "What do you have in your pockets?" When the victim said he only had his keys, S1 said, "You want to throw down?" Seeing that the suspects were both teenagers, the victim stood up to them and the two ran away southbound through the parking lot and out of sight.

S1 is described as a male black, age 13-16, approximately 5'5 tall and 115 lbs. with short hair, wearing black shorts and a white tank top shirt.

S2 is described as a male black, age 16-17, approximately 5'7 tall and 135 lbs with short hair, wearing black pants and a white tank top shirt.

The above surveillance photos captured S1 and S2 as they arrived at the MTA Green Line at Douglas Street / Park Place. Both suspects were accompanied by three female blacks as shown in the photos.

If you have any information regarding these suspects, please call Detective Patrick Goodreau at 310-524-2216. Refer to case #08-4005.
