**ACTIVITY DETAIL**

A continuing project that provides in-home services to local elderly and severely handicapped shut-ins who need home health care services including physical, medical and/or companion care assistance which will enable these persons to live in their own homes instead of, or prior to, any form of institutional convalescence. Client referrals will be made through the Recreation and Parks Department Outreach Office. Clients' needs will be assessed by the counselor prior to service, and cases will vary in the utilization of the services available. Services will be rendered through a qualified home health care agency on an as-needed basis. Approximately 25 eligible clients will receive a total of 7,480 in-home visits during the program year.

**Accomplishments During FY 2011-12:**

- Provided timely response to inquiries by responding within one business day.
- Provided timely establishment of service to clients by having the initial interview completed by the provider and establishment of services within two business days.
- Provided a total of 480 client visits to approximately 30

eligible participants.

- Provided the best care possible by maintaining monthly contacts with clients to ensure 100% satisfaction.

**Goals and Objectives for FY 2012-13:**

- To continue to provide timely response to inquiries by responding within one business day.
- To provide timely establishment of service to clients by having the initial interview completed by the provider and establishment of services within two business days.
- To provide the best care possible by maintaining ongoing monthly contact with clients to ensure 100% satisfaction.
- To reduce quantitative goals to 480 client visits to approximately 25 eligible participants.
