Subject: RE: Permit Parking 1400-1500 E. Walnut Avenue

Mrs. Layne,

The permit parking item is scheduled for City Council consideration next Tuesday night. I'm forwarding your comment regarding the location of the speed trailer to the Chief for his consideration. Thanks for your comments.

Regards,

Greg Carpenter
City Manager

Subject: Permit Parking 1400-1500 E. Walnut Avenue

Hello,

As a follow-up to last week's Council meeting and prequel to next week's meeting regarding the permit parking issue for the residences. As much as it seems this will be a done deal next week, thought it might not hurt to send this off to be sure it does not get pushed to the back burner so to speak. As part of a 3 generation family in El Segundo and a 20 year residence at 1505 E. Walnut Ave. it's a shame that the home owners and tax payers of El Segundo should have to fight for the ability to park in front of our own homes. The business' and their employees should not have the upper hand in this. Also, in addressing the speed issue that was also brought up at last week's meeting, the speed monitor should be re-located to the middle of the block to get a true reading on how fast the traffic does get on our street. My neighbors and myself are looking forward to finally getting this resolved.

Would like to thank everyone for their time and efforts in this issue.

Regards,

Laura Carr Layne
1505 E. Walnut Avenue, ES
