COASTAL DEVELOPMENT PERMIT APPLICATION GUIDE

Submittal Requirements

- Completed Planning Application.
- Completed Environmental Information Form (if deemed necessary by staff).
- Detailed Project Description (See below)
- Required Findings Justification (See below)
- Two sets of the project plans on 24" by 36" or 36" by 42" sheets. All plans must be collated and stapled into sets and folded to approximately 8" by 11".
- One colored set of elevation drawings or architectural renderings.
- An electronic copy of the project plans and renderings in pdf and/or jpg format.
- A map of all properties within a 100-foot radius of the subject property, keyed to a list of names and addresses of their current property owner(s) and residents.
- Two sets of adhesive mailing labels and one copy of the list of names and addresses of: a) the property owners and residents within the 100-foot radius and b) the California Coastal Commission (Long Beach Office).
- Certification that the names and addresses provided are those of the property owner(s) currently listed in the latest available Tax Assessor's records.
- Unaddressed business envelopes, stamped with first class postage, of sufficient number to contact every property owner within the 100-foot radius, the subject property owner(s), the applicant(s), the California Coastal Commission, and any other interested party (sufficient for two mailings).
- Proof of ownership (such as a current Title Report or Grant Deed) and documentation of easements, covenants, reservations or other property restrictions.
- Planning fees.
- Environmental filing fee.

Notes: 1. Additional information, plans, fees, or studies may be required after initial review of the application.

2. The applicant must post a copy the public notice on the subject property ten (10) days prior to the hearing. The applicant must also submit a signed affidavit and a photograph of the posted public notice indicating compliance with the posting requirement. The notice must be placed on a foam board sign with a minimum size of 18" x 24". The content, format,

and location of the sign on the property will be determined by Planning Staff.

Project description - Respond to the following questions. (1)

1. Describe the existing development on the site (including the gross and net floor area and the uses of each building).
2. Describe in detail the entire proposed project. Discuss the uses involved (i.e. bank, general office, industrial restaurant, etc.), the number and size of buildings (including floor area and number of stories), the design of buildings (style, materials, colors), and the related equipment necessary to the project (mechanical, telephone and electrical equipment, transformers, generators, trash enclosures, loading docks, etc.).
3. Describe any secondary improvements such as septic tanks, water wells, roads, etc.

Required Findings (El Segundo Municipal Code Section 15-12-4) - Describe in detail how the project request fulfills the following findings. (1)

1. The proposed development conforms to the certified Local Coastal Plan.
2. The proposed development conforms to the Coastal Act public access and recreational policies.
