I. Continued Business - Public Hearing

3. <u>Environmental Assessment No. EA-808, Parking Demand Study 09-03 and Subdivision No. 09-03 (Vesting Tentative Tract Map No. 70996)</u>
5-unit Commercial Condominium Project and Parking Reduction

Address: 141 Main Street
Applicant: Matt Crabbs
Property Owners: CRS, LLC.

The proposed project is a request for approval of an Environmental Assessment (EA- 808), Parking Demand Study (PD 09-03), and Subdivision No. 09-03 (Vesting Tentative Tract Map No. 70996) for the construction of a new three-story, 12,547 square-foot mixed-use commercial retail/office building comprised of 5 commercial condominium units located at the southwest corner of Franklin Avenue and Main Street within the Main Street Transitional District in the Downtown Specific Plan ("DSP") Zone. The proposed building will accommodate 5 commercial units. The applicant also requests approval of a Parking Demand Study to reduce the required parking by three parking spaces from 35 parking spaces to 31 spaces and to allow an increase in tandem parking from 30% (10 parking spaces) to 47% (16 parking spaces).

On December 6, 2007 the Planning Commission approved EA-759 and Subdivision No. 07-05 (Vesting Tentative Tract No. 67471) on the proposed project site to allow a maximum of thirty commercial condominium units within a three-story,14,007 square-foot building. An initial study of environmental impacts was prepared for EA-759 pursuant to Public Resources Code § 15063 California Environmental Quality Act ("CEQA") and a Mitigated Negative Declaration ("MND") of Environmental Impacts was adopted for the project pursuant to CEQA § 15070. The previously approved project will not be constructed. The proposed project is 12,547 square feet in size, approximately 1,460 square feet less than the previously approved project, and would result in the same or fewer environmental impacts as those that were analyzed in the previously adopted MND.

The Environmental Assessment, legal description, and related files for the above-mentioned proposal are available for public review Monday through Thursday and alternating Fridays between 7:30 a.m. and 5:30 p.m. in the Planning and Building Safety Department, located at 350 Main Street, El Segundo. Any person may give testimony at the public hearing at the time and place indicated above. Please contact Louis Morales, in the City Planning Division at (310) 524-2354, or any other Planning Division Staff person, for further information.

RECOMMENDED ACTION: That the Planning Commission (1) open the public hearing and take documentary and testimonial evidence; (2) after considering the evidence, adopt Resolution No. 2653; and (3) discuss and take any other action related to this item.
