**Applicant: City of El Segundo**

The City of El Segundo annually reviews its Capital Improvement Program (“CIP”) for the purpose of identifying and prioritizing capital projects to be completed within the planning period. These projects are needed to adequately maintain current facilities, maintain existing infrastructure and provide new infrastructure where needed, implement new technologies for the health and welfare of our citizens, and prepare for major disasters.

This annual review of the CIP is mandated by the State of California. Government Code § 65103(c) requires each Planning Agency to conduct an annual review of the City’s CIP for consistency with the General Plan. Additionally, Government Code § 65401 requires that cities prepare a coordinated program of proposed public works projects and that they be reviewed by the city planning agency for conformity with the City’s General Plan. The planning agency in the City of El Segundo is the Planning Commission.

**RECOMMENDED ACTION:** That the Planning Commission (1) consider the evidence and adopt Resolution No. 2664; and (3) discuss and take any other action related to this item.

3. **Environmental Assessment No. EA-828 and AUP No. 09-01**

**To allow the expansion of alcohol sales on a new 750 square-foot outdoor dining area at the rear of the building and a new 100 square-foot sidewalk dining area in front of the building in the public right-of-way for the sale of beer and wine for on-site consumption (Type 41 ABC) license at an existing restaurant (Second City Bistro).**

**Address: 223 Richmond Street**  
**Applicant(s): Scott Reed**  
**Business Name: Second City Bistro**  
**Owner(s): Star Restaurant Holdings LLC**

The applicant requests the approval of an Administrative Use Permit to expand the area for the sale and consumption of beer and wine (Type 41 Alcoholic Beverage Control license) at an existing restaurant at 223 Richmond Street. The request includes the approval of a new 100 square-foot outdoor dining area that encroaches 4 feet into the public right-of-way adjacent to an existing 250 square-foot covered outdoor dining area in the front side of the building, and a new 750 square-foot outdoor dining area to the rear of the restaurant. A six-foot wide sidewalk will remain for pedestrian passage adjacent to the outdoor dining area. The project site is located in the Richmond Street District (RSD) within the Downtown Specific Plan (DSP) Zone.

The existing restaurant is approximately 2,238 square feet in total indoor area and contains a covered outdoor dining area that is 250 square feet located fully on private property in the front side of the building. A total of 56 seats are located within the interior of the restaurant and 16 seats are located in the covered outdoor dining area in the front side of the building. The outdoor dining area expansion in front of the building will add 6 seats and will encroach 4 feet into the public right-of-way. The new 750 square-foot outdoor dining area to the rear contains 12 tables and 48 seats. The new proposed combined total area for the restaurant is 3,338 square feet and contains 126 seats.

The proposed project is categorically exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant to 14 California Code of Regulations § 15301 as a Class 1 categorical exemption (Existing Facilities) and pursuant to 14 California Code of Regulations § 15303 as a class 3 categorical exemption (New Construction or Conversion of Small Structures). The project includes an alcohol license for an existing restaurant which results in a minor alteration in the operation of an existing building involving a minor expansion of the existing use with the addition of 850 square feet of outdoor dining area. The project is not anticipated to have any significant impacts with regard to traffic, noise, air quality, or water quality. There are adequate utilities and public services to serve the project. There is adequate sidewalk width for pedestrian passage adjacent to the outdoor dining area located in the public right-of-way.

**RECOMMENDED ACTION:** That the Planning Commission (1) open the public hearing and take documentary and testimonial evidence; (2) after considering the evidence receive and file Administrative Use Permit No. 09-01; and (3) discuss and take any other action related to this item.

**Property Owners: JF El Segundo Owner, LLC**

**Project Description**

On September 25, 2008, the El Segundo Planning Commission approved Environmental Assessment No. EA-773 and Conditional Use Permit No. 07-07 to allow construction of a six-story, 61,104 square-foot hotel on a 1.75 acre site located at 101 Continental Boulevard. The hotel (Aloft Hotel) was approved for at total of 167 rooms at a maximum FAR of 0.80.

The applicant now seeks modification of the original approval which involves an amendment to the Environmental Assessment for a Mitigated Negative Declaration, an amendment to the Conditional Use Permit, and a proposed Specific Plan to allow a maximum floor area ratio (FAR) of 0.92 to accommodate a change in brand from Aloft to Cambria Suites. The property is zoned Corporate Office (CO) Zone. The maximum FAR permitted in the Corporate Office (CO) Zone is 0.8. The proposed Cambria Suites Hotel is a six-story, 71,005 square-foot hotel with 152 rooms. The proposed Specific Plan proposes requirements for a LEED certified building and the incorporation of public art to be located on site.

This matter is being presented to the Planning Commission which will make a recommendation to the City Council regarding whether an application for the proposed amendment should be processed by the City. If an application were processed, it would (at a minimum) require an Amended Mitigated Negative Declaration in accordance with the California Environmental Quality Act (CEQA). This is an informational item only. If the City Council takes no action regarding this matter, the City would process an application in accordance with applicable law. Should the City Council deny the proposal, no additional CEQA review is required.
