Appeal of the Planning and Building Safety Director's Determination to Deny a Request for Plan Check Extension for Project B1416-06 and to Require the Project to Comply with El Segundo Municipal Code ("ESMC") Title 13 (Building Regulations) and Title 15 (Zoning Regulations)

Address: 624 West Mariposa Avenue
Appellant: Mr. Shaun Cooley
Property Owner: Mr. Shaun Cooley

The Planning and Building Safety Department received an appeal of a determination by the Planning and Building Safety Director to deny a request for plan check extension for Project No. B1416-06 and decision that the appellant comply with the requirements of ESMC Title 13 and the 2007 California Building Code. If the Director's decision is overturned, the appellant would be allowed to comply with the R-1 regulations existing before the City Council adopted Ordinance No. 1401 on October 3, 2006. This would permit the appellant to seek a building permit for a single-family residential building that cannot exceed a maximum 40 percent lot coverage and 8,712 square feet, not including a garage and basement. If the Director's determination is upheld, the appellant would be required to comply with current ESMC building and zoning regulations (implemented by Ordinance No. 1401 on October 3, 2006) which would allow the appellant to seek a building permit for a new single-family residential building that cannot exceed a floor area ratio of 53 percent and a maximum of approximately 5,770 square feet, not including a garage and basement. The affected property is located on the block bounded by Mariposa Avenue on the north, Pine Street on the south, Hillcrest Street on the west, and Loma Vista Street on the east.

RECOMMENDED ACTION: That the Planning Commission (1) open the public hearing and take documentary and testimonial evidence; (2) after considering the evidence, adopt Resolution No. 2668 to uphold the Director's decision and deny the appeal; and (3) discuss and take any other action related to this item.
