The City of El Segundo is participating in a regional planning effort to develop and maintain a comprehensive bicycle network and set of programs for the South Bay region. The seven South Bay cities participating in the planning effort are: El Segundo, Gardena, Hermosa Beach, Lawndale, Manhattan Beach, Redondo Beach and Torrance. This effort is coordinated by the South Bay Bicycle Coalition, an advocacy group engaged in improving bicycle infrastructure and developing and facilitating implementation of policies to ensure cycling safety and convenience. Coordination meetings among the seven participating cities and a consultant team (ALTA Planning + Design) began in the Fall of 2010, with the objective of completing the planning process in the Fall of 2011 and starting the implementation phase by 2012.
