**Subject: Police Need Help Identifying 2003 Sexual Assault Suspect**

**Contact: Detective Ken Mulrone 310-524-2200**

On February 16, 2007, the parents of a 17 year-old female contacted the El Segundo Police Department to report that their daughter was a victim of a sexual assault that occurred four years ago when she was 13. It was only recently, during a counseling session, that the victim told her counselor about the sexual assault.

On February 14, 2003, at approximately 7:40 AM, the victim (whose identity will remain confidential due to the nature of the crime), reported that while walking to school in the area of Franklin Avenue and Richmond Street in the City of El Segundo, she was chased and grabbed from behind by the suspect, a jogger. The suspect dragged the victim to the side of a building near a parking lot and cut off the victim's belt with a knife. The suspect sexually assaulted the victim then fled the area on foot.

The suspect is described as a male white, 50 years old, 5' 9" tall, unknown weight, and medium build with gray hair. He was wearing a blue jogging outfit (jacket and shorts), blue baseball cap with white lettering, white shoes, black headhone type radio and a white band-aid under his right eye.

Based upon information given by the victim, detectives have come up with a composite drawing of the suspect. Police are seeking the public's help in identifying and locating this suspect.

If you have any information regarding this incident, or you recognize the suspect, please contact **Detective Ken Mulroney** at the El Segundo Police Department at **310-524-2200**.

The suspect is considered armed and dangerous.
