## OFFICE CREEPER ALERT

On Thursday, May 22, 2008, at 5pm, the two suspects pictured above were observed wandering through suites in an office building on the 300 Block of N. Continental Blvd. in the City of El Segundo.

The suspects encountered an employee in one office suite who asked if they needed help. One suspect told the employee he was an AIG broker and that he was looking for the AIG office. The suspects were told AIG was no longer in the building. After the suspects had left, the employee noticed a laptop was missing. At 5:30pm the same suspects were stopped by an employee in another suite after they were caught walking around the suite and peering into offices. The employee asked if the suspects needed help. They said they did not and left. The employees discovered two laptops had been taken.

Suspect 1 was described as a male, black, 20 years old, 6', 300lbs, wearing a white shirt with red stripes, black baseball cap and black pants. Suspect 2 was described as a male, black, 20 years old, 5'2", 120lbs, wearing a striped polo shirt, plaid beret and khaki pants.

On Tuesday, May 27, 2008, at 12:30pm, a related incident occurred in the same building.
