Two gangs comprised completely of children, square off in a 1920's rivalry of Capone-ian standards. Dandy Dan's gang has gotten the upper hand since obtaining the "splurge" gun (a weapon that shoots whip cream). Now Fat Sam and his bumbling buffoons are in real trouble! Buggy Malone, a one-time boxer, is thrust not-so-willingly into the gangster limelight, when he becomes the last chance Fat Sam's gang has of surviving. All Buggy really wants to do is spend time with his new love Blousey; but that just isn't in the cards for our hero.
