MITCH TAVERA, CHIEF OF POLICE
348 Main Street \* El Segundo CA 90245 \* TEL: 310-524-2200 \* FAX: 310-322-4389

## Chevrolet/ GMC Instrument Gauge Panel And Navigation System Thefts

There has been a recent surge in vehicle burglaries in El Segundo. Specific targets for burglars have been the instrument gauge panels and the factory installed navigation systems found in Chevrolet and GMC trucks and sport utility vehicles (Similar to the pictures above). These thefts have been occurring during the late night hours in the residential section of the city. There have also been similar vehicle burglaries during the day in parking structures and commercial parking lots. Thieves have been punching the locks on the vehicles in order to gain access. Once inside the vehicle, the thieves forcibly remove the instrument panels and/ or navigation systems from the dashboards.

For questions or information on related incidents, please contact Detective Eric Atkinson at (310) 524-2216.
