On April 6, 2011, a female victim, in town on business from Louisiana, was car-jacked at gunpoint in the parking lot of the Residence Inn located on El Segundo Blvd. The following day, the two suspects committed a jewelry store takeover robbery in Rancho Cucamonga and used the stolen car as a getaway vehicle. Evidence left in the abandoned car led to the identification of both suspects, Solomon and Bonner.

Since April 7, 2011, El Segundo Police Detectives have been collaborating with San Bernardino County Sheriff's Investigators to locate and capture both suspects. On April 26, 2011, investigators arrested Solomon in Barstow, CA and his accomplice, Bonner in Duarte, CA. Our investigators interviewed both suspects and confessions regarding both crimes were obtained.
