Press Release

For Immediate Release

June 6, 2011

Seeking Assistance in Identifying Sexual Predator and Additional Victims

On May 23, 2011, a male black adult, see attached photos, followed a lone female driver for several blocks in his metallic blue Lexus SUV to Walgreen's, located at 331 N. Sepulveda Blvd., El Segundo. As the victim parked and exited her vehicle at Walgreen's, the suspect parked next to her and began masturbating. In fear, she ran into the business and the suspect followed her on foot. She eventually fled the location when the suspect lost sight of her and notified the police.

The suspect is described as a black male, medium build, clean shaven, bald or very short hair, 35-45 years of age, 5'09"-5'11", wearing a white t-shirt, and white pants. Surveillance video shows the suspect wandering in Walgreen's and apparently searching for the victim.

If you have any information regarding this case (DR # 11-1419) or similar crimes, contact Detective Eric Atkinson at (310) 524-2216. An additional victim has already been located and she reported a similar experience with the same suspect.
