ATTEMPTED ROBBERY

On August 25, 2011, at approximately 1650 hours, the above pictured suspect was captured on video entering a secured cell phone distribution center posing as a UPS employee. The suspect handed the victim a package, then drew a handgun from his waistband. He ordered the victim to the ground and ran toward the warehouse located in the back of the business. The victim quickly ran upstairs and locked himself in an office. Believing the victim ran outside, the suspect gave chase causing him to be locked out of the building.

The suspect is described as a male Hispanic adult, 23-27 years old, 5'4" tall, 160-170 lbs, wearing a UPS uniform shirt and white sleeve over his right arm (possibly to conceal tattoos or other identifiable marks). The handgun is described as a large caliber semi-automatic pistol, silver in color with a matte finish.

The suspect was captured on video exiting the gold colored four-door sedan and communicating with other suspects in the U-Haul van (pictured above).

If you have any information regarding this case or similar crimes, please contact Detective Jeff Humphrey at (310) 524-2284.
