

We will keep our **VALUES** at the forefront of every contact with the public and with each other.

We **RISE** to the challenge of the following common **VALUES**:

## **RESPECT**

We value all people and treat all people with respect, sensitivity, compassion, and understanding.

## **INTEGRITY**

We hold ourselves to the highest standards and are accountable for our actions both personally and as an organization.

## **SERVICE**

We value the community we serve and meeting their needs while working together to build and maintain channels of communication. We do this by being personally involved in our community, fostering a team effort among ourselves and those we serve, and working cooperatively together in an effort to identify and resolve problems.

## **EXCELLENCE**

We are committed to and pride ourselves in our personal and organizational excellence and professionalism, acting responsibly and carrying out our duties through innovative approaches with competence and efficiency.
