Construction Notice

RECYCLED WATER PIPELINE CONSTRUCTION
INTERSECTION OF
DOUGLAS STREET AND EL SEGUNDO BOULEVARD

WHO: U.S. Army Corps of Engineers and West Basin Municipal Water District

WHAT: Install an eight-inch diameter PVC recycled water pipeline in Douglas Street from El Segundo Boulevard to Mariposa Street

WHEN: Construction resumes **Friday, June 6th at 9:00 a.m. and is expected to continue through the weekend ending Monday, June 9th at 6:00 a.m.** Construction work will be completed by Friday, June 6th but traffic control will be effect to allow concrete to cure completely. **Normal traffic will resume on Monday, June 9th at 6:00 a.m.**

WHERE: Construction will take place in the intersection of Douglas Street and El Segundo Boulevard in El Segundo. Construction will occur continuously in this intersection from Friday, June 6th at 9:00 a.m. and end Monday, June 9th at 6:00 a.m.

CONTACT: West Basin Municipal Water District Construction Community Information Hot Line: (877) 341-5707.

WHAT TO EXPECT DURING CONSTRUCTION:

During construction and installation of the pipeline, you should expect:
- Construction signs and changeable message signs (CMS) to notify drivers, pedestrians and bicyclists of upcoming construction activity
- Traffic delays on westbound El Segundo Boulevard at Douglas Street
- Traffic delays on northbound Douglas Street at El Segundo Boulevard
- Traffic will be reduced to one lane of traffic on westbound El Segundo Boulevard at Douglas Street
- Left turns from westbound El Segundo Boulevard to southbound Douglas Street will be open
- Right turn lane on westbound El Segundo Boulevard onto northbound Douglas Street will be closed intermittently on Friday June 6 after 9:00 a.m.
- Sidewalks will be open during construction
- Construction activities will include installation of the pipe, trench backfilling and concrete resurfacing
- Other construction impacts will include installation noise, minimal dust and minimal vibration

BACKGROUND:
This water recycling pipeline construction effort is part of the West Basin Municipal Water District and the Army Corps of Engineers Harbor South Bay Water Recycling Program to protect our region’s precious drinking water supply. The Corporate Campus El Segundo Lateral project is a 4,000 foot long recycled water pipeline that will protect the use of potable water in the city of El Segundo.

For questions or comments about this pipeline construction, call the community information hotline at (877) 341-5757 or visit [www.westbasin.org](http://www.westbasin.org).
