West Basin Municipal Water District

CONSTRUCTION NOTICE

Recycled Water Pipeline Construction at Intersection of Continental Boulevard and El Segundo Boulevard

WHO: U.S. Army corps of Engineers and West Basin Municipal Water District.

WHAT: As part of the Mariposa Recycled Water Lateral Pipeline that is currently being installed from El Segundo Boulevard to Grand Avenue, a 6-inch diameter recycled water pipeline will be installed in the intersection of El Segundo Boulevard and Continental Boulevard.

WHEN: Construction in the intersection is expected to begin Friday, March 19, and continue through Tuesday, March 23, 2010. Construction will reduce lanes on El Segundo Boulevard as well as the left hand turn lanes onto Continental Boulevard. Construction signs with interchangeable messages will notify drivers, pedestrians, and bicyclists of the temporary traffic re-routing along the traffic lanes. Traffic signs will be posted to help direct traffic and to allow access to business centers at all time. Temporary closure of sidewalks may occur during construction hours, but will be reopened at the end of each day.

Access to all businesses will be maintained during construction.

Construction will take place between the hours of 9 AM and 3:30 PM.

CONTACT: West Basin Municipal Water District at the community information hotline (310) 955-6508, community liaison Kira Erquiaga at kira@ccrinfo.com or via the Web site at www.westbasin.org

Thank you, we appreciate your patience during construction!
