

EL SEGUNDO FIRE DEPARTMENT
Fire Prevention Division

NOTICE

Knox Company Online Ordering

The El Segundo Fire Department uses the Knox Company Rapid Entry System for emergency access to buildings and properties and securing fire department connections.

Effective January 1, 2015, you can now order the Knox Company products online through the Knox Company's website (www.knoxbox.com) including:

- Knox Boxes
- Knox Override Key Switches
- Knox Padlocks
- Knox Locking FDC Plugs

Paper forms, with an authorized signature from the El Segundo Fire Department will still be accepted by the Knox Company. Due to the new online ordering system, the Knox Company Authorization Order Forms will no longer be faxed, but the requester will be directed to the Knox Company website.

If you have any questions, please contact
