The United States Department of Health and Human Services and the Administration on Aging celebrates May as Older American’s Month and this year’s theme is “Get into the Act” which recognizes the 50 year anniversary of the Older Americans Act.

The City of El Segundo selects a community member to receive the award of El Segundo Older American of the Year and hosts a celebration, called Elderfest, in honor of all senior citizens in the community.

Jan Cruikshank, 85, epitomizes Civic Engagement and the role of volunteers in a community. She has been an active member of our El Segundo Community for over 40 years. She is a former El Segundo City Councilwoman, she held a seat on the ESUSD school board, actively volunteered in the PTA, served as president of the El Segundo Senior Club, volunteered with the Red Hat Society, and is a founding member of El Segundo CARES.

She is an advocate for our military and makes regular visits to the VA hospital in Los Angeles to distribute clothing, toiletries and treats. On her last visit she brought over 60 bags of needed items to our local veterans and she is in the process of planning a BBQ event on May 15 in conjunction with local service organizations for these veterans. She is a force to be reckoned with – community coordinator, motivator, kind-hearted volunteer, and public servant. Thank you Jan Cruikshank for everything you do!

For more information about Elderfest please contact the Joslyn Center at (310) 524-2705. Elderfest will take place at the Automobile Driving Museum on May 8, 2015. Reservations required. If you are interested in being an event sponsor please contact sdonahue@elsegundo.org.
