

# Experience 16: EMPATHY

A Living Library collaboration between ESMoA + El Segundo Public Library

{October 25 & 27, 2018}

**\*empathy** (noun): | em·pa·thy | /'empəTHĕ/  
the ability to understand and share the feelings of another

The Living Library encourages participants to sit down with our “human books” for 20-minute one-on-one conversations to foster empathy and a better understanding of people’s life experiences. For more information or to “check-out” one of our living books, please contact either ESMoA [424.277.1020] or the El Segundo Public Library [310.524.2722].

**Don’t judge a book by its cover.**
