Holiday Collection Schedule
Trash and Recycling collection does not occur on the following six holidays: New Year’s Day, Memorial Day, 4th of July, Labor Day, Thanksgiving Day, and Christmas Day. When any of these days are observed on a weekday, services will be delayed one day. All other days are unaffected.

El Segundo is making it easier than ever to recycle.

Refuse & Recycling Guide
November 1, 2011
Residential Solid Waste and Recycling Collection Services

The City of El Segundo, via Consolidated Disposal Services, provides curbside collection of solid waste and recyclables to residential properties with four or fewer units. Here are some program highlights:

- There is no limit to the amount of trash or recyclables that can be placed curbside on your day of collection.
- Containers should be placed curbside by 7 a.m. on your day of service to ensure your waste is collected.
- Container capacity cannot exceed 45 gallons or weigh more than 60 pounds. All trash must be able to be safely lifted by a single operator.
- All trash must be placed inside trash containers or secured by other means. Uncontained piles of trash, garbage and overflowing containers cannot be collected. Overages that cannot fit into containers must be secured (i.e., bagged, bundled).

Landfill Trash Collection

Unlimited curbside trash collection services are for household trash only, which do not include dirt, sod, rock or other debris from construction work or hot ashes. If you need to dispose of these non-qualifying items, they can be taken directly to the American Waste Transfer Station at 1449 W. Rosecrans Ave, Gardena and disposed of for a fee. Call (310) 527-6980 for disposal rates. Alternatively, you can call Consolidated Disposal Service (800) 299-4898 for other options that may be available to you.

Recycling Services

The City offers residents unlimited curbside collection of recyclables. Residents can use either their own personal recycling containers or those provided by Consolidated Disposal Service. Personal recycling containers should have a sticker affixed to the container to identify them as recycling containers. These stickers are available upon request from both the City and Consolidated Disposal Service. Please make sure the recycling sticker is visible for the driver when containers are set out for collection.

Alternatively, residents can request and receive for free up to two recycling containers (18-gallon or 32-gallon) directly from Consolidated and can even mix the sizes requested. To request new recycling containers, call Consolidated Disposal Service at (800) 299-4898 for delivery to your house.

Residents can also bring recyclables to the City’s centralized drop off location, available 24 hours per day: El Segundo Maintenance Facility Drop Off 150 Illinois Street North end of the parking lot.

Green Waste Recycling

Residents can dispose of yard trimming and other green waste at the City’s Maintenance Facility year round. Bring your lawn trimmings (no sod) and tree/bush/plant clippings to the drop-off stall located at the north end of the parking lot at 150 Illinois Street. When available, free mulch is provided for El Segundo residents. Additionally, during Fall and Spring Clean-up Weeks, City crews will pick up unbundled green waste at no charge. Reservations must be made to receive this service. Tree limbs and branches should be placed at your regular collection site. For reservations, call Consolidated Disposal Service at (800) 299-4898 at least one week prior to Clean-up Week.

OTHER COLLECTION SERVICES PROVIDED BY THE CITY

- Weekly Curbside Collection of Bulky Items: Residents can place bulky items curbside on their regular collection days. Please note that size and weight are limited to what two workers can lift safely. Residents can also take their bulky items directly to the American Waste Transfer Station free of charge with proof of residency.
- Bulky Item Collection Events: The City and Consolidated host two bulky collection events each year in the spring and fall for residents who receive the City’s trash collection service. Contact Consolidated for specific dates for Spring and Fall Clean Up Weeks at (800) 299-4898. Please note that size and weight are limited to what two workers can lift safely.
- Collection of White Goods: White goods include large domestic appliances such as refrigerators, freezers, stoves and ranges, trash compactors, washers, dryers, hot water heaters, etc. Residents can either place white goods curbside on their day of collection or take the white goods directly to the American Waste Transfer Station for disposal free of charge with proof of residency.
- Holiday Tree Recycling: Residents with City-provided trash service can place holiday trees curbside on regular collection days during the three weeks following Christmas Day. Residents can also drop off their Christmas trees during this time period at the Maintenance Facility at 150 Illinois Street.

What’s Recyclable?

- Pizza Boxes
- Hard-Cover Books, Photographs
- Tape, String, Rubber Bands
- Paper with Wax or Plastic Coating
- Freezer Boxes
- Scrap Metal
- What’s Recyclable?

Beverage Container Recycling

There are several locations El Segundo residents can recycle beverage containers for CASH, which include Whole Foods Market at Plaza El Segundo and Ralphs Supermarket at 500 N. Sepulveda Blvd. Acceptable containers include: fruit and soft drinks, water bottles, tea and coffee drinks, beer beverages and wine coolers. Of course, these items can also be placed in residential recycling containers and collected by Consolidated on your regular collection day.

Household Hazardous Waste and E-waste Disposal

The City does not provide curbside or centralized household hazardous waste collection, which include items such as oil, gas or paint and electronics (E-waste). However, these items must be disposed of properly. The closest location for El Segundo residents to dispose of their hazardous waste is the Hyperion Permanent Household Hazardous Waste Collection Center, which is operated by the City of Los Angeles. The Center accepts waste every Saturday and Sunday between 9:00 a.m. – 3:00 p.m. Call (800) 988-6942 for more information.

City of Los Angeles Hyperion Treatment Plant Household Hazardous Waste Collection Center
7640 West Imperial Hwy, Gate B
Playa del Rey, CA

The term ‘e-waste’ is applied to consumer electronic equipment that is no longer wanted. E-waste can include computers, printers, televisions, VCR’s, cell phones, fax machines, stereo and electronic games. Electronics may contain lead, copper and other heavy metals or potentially toxic substances. If you have electronics that are still usable, they can be listed at the L.A. County online exchange at www.ladwp.org/epd/lacmanx/index.cfm or join the FREE ReUseIt Program:
www.groups.yahoo.com/group/ElSegundoCAReUsIt

Los Angeles County also sponsors Household Hazardous Waste Collection Events throughout the county. A Collection Event is a one-day event at specific locations where residents can drive-through to drop off their waste. Raytheon Corporation co-hosts the event in El Segundo every November with L.A. County. Check out http://ladwp.org/ for specific locations and times or call (888) CLEAN LA. Lastly, Tree Musketeers, an El Segundo-based youth environmental organization, offers a variety of resources and is happy to discuss matters of reducing, reusing and recycling. Call them at (310) 322-0263 or visit www.treemusketeers.org.

What you CAN bring to a HWF Collection Facility or Event:
- E-Waste (see COMPUTER RECYCLING)
- Motor oil and oil filters
- Brake fluid
- Paint and turpentine
- Pesticides and herbicides
- Car and household batteries
- Pool chemicals
- Expired pharmaceuticals

What you CANNOT bring:
- Explosives
- Ammunition
- Radioactive materials
- Business waste

To request up to two free recycling containers, please call Consolidated at (800) 299-4898. You can choose either 18-gallon or 32-gallon sizes.
