## Attempt to Identify Forgery/Check Theft Suspect

On or about April 24, 2017, three blank checks were stolen from an office at 2121 E. Rosecrans Avenue in El Segundo. Over the next two days, each check was cashed in various amounts over \$4,000 at Bank of America branches in Rolling Hills Estates, Redondo Beach and Fountain Valley. In all three transactions, the above pictured suspect and an unknown male black adult posed as a couple "in need" and coaxed Bank of America customers into cashing the checks for them. In each incident, the money from the cashed checks was handed to the above female, who left with male.

If you have any information regarding this suspect, please contact Detective Brandon Browning at (310) 524-2277 or [bbrowning@elsegundo.org](mailto:bbrowning@elsegundo.org).
