## **Attempt to Identify Attempted Carjack/Attempted Robbery Suspect**

On February 6, 2018, at approximately 6:45 a.m., the suspect (pictured above) walked up the victim in the parking lot of Whole Foods market (760 S. Sepulveda Blvd) and said something incoherent. The victim, thinking the suspect was asking for money, stated she didn't have any to give. The suspect became aggravated and walked past the victim, opened the driver door of her vehicle, and sat in the driver's seat. The suspect attempted to start the victim's vehicle but the vehicle is equipped with keyless ignition. After failing to start the vehicle, the suspect exited and grabbed the victim's purse, which was hanging over her shoulder. The victim struggled with the suspect and was able to maintain possession of the purse. The suspect then fled the area. It was later determined the suspect boarded a Beach Cities bus.

If you have any information regarding the identity of this suspect, please contact Detective Saldana at (310) 524-2284 or [psaldana@elsegundo.org](mailto:psaldana@elsegundo.org).
