Attempt to Identify Criminal Threats/Theft Suspect

On February 16, 2018, at approximately 8:45 a.m., the suspect (pictured above) walked into the Whole Foods Market, located at 750 S. Sepulveda Boulevard, stole two bottles of cognac, and walked out of the store without paying. The suspect entered the store a second time and took two bottles of tequila. As he attempted to exit the store he was confronted by security. He was asked for the bottles back so he placed them on the floor. He then walked out of the store with security following him. As he exited he told the security guard he would shoot him if he did not leave him alone. The suspect got into a white Chrysler 300 (unknown license plate) and left the area. The vehicle was driven by an unknown female black adult. No firearm was seen.

If you have any information regarding the identity of this suspect, please contact Detective Saldana at (310) 524-2284 or psaldana@elsegundo.org.
