On April 1, 2018, at approximately 0002 hours, ESPD officers responded to a call of two suspicious male subjects (later identified as Darryl Dukes and Eugene Porter) seen walking away from El Segundo Middle School with a flashlight. The witness heard one of the male subjects talking to the other about seeing MacBooks in one of the rooms. The subjects entered the vehicle pictured above, owned and driven by Brittani Harold. Officers located the vehicle in the area of the school and initiated a traffic stop. A consent search of the vehicle revealed a pair of bolt cutters, one head lamp and two pairs of black gloves. No stolen property was found and no burglary has been confirmed at this time.
