## Attempt to Identify Robbery Suspects

On April 28, 2018, at approximately 11:10 p.m., the pictured suspects entered the Residence Inn parking lot at 2135 E. El Segundo Blvd. and committed multiple strong arm robberies. One of the suspects punched a victim in the back of her head and took her jewelry. Several of the suspects beat, and then robbed a male victim of his backpack. A second vehicle containing three more suspects also participated. The suspects are described as male black adults, 18-22 years old.

The suspect vehicles are a late model black Honda Accord and a gold 2-door coupe, possibly an older Lexus. The Honda is missing a left rear hubcap and has traffic collision damage on the front left fender. The second vehicle has damage to the rear bumper area.
