

Attention El Segundo Registered Bicycle Owners

The El Segundo Police Department is currently updating our Bicycle Registration database. During this process, it will be necessary for you to receive a new registration serial number sticker. This service will be free of charge.

To re-register your bicycle(s), please contact Laurie Risk at your earliest convenience by either calling (310) 524-2274 or emailing risk@elsegundo.org.

Failure to re-register your bicycle(s) will make it difficult for the police to return your property in the unfortunate event it is stolen.

If you no longer own the bicycle(s) registered, please let us know.

It is the El Segundo Police Department's goal to provide the highest level of service to our citizens and to ensure that the bicycles in our community are registered for your protection.
