## Press Release

FOR IMMEDIATE RELEASE

September 10, 2015

## Credit Card Reader Located

Not actual device

### Credit Card Reader Located

101 S. Sepulveda Blvd. (McDonald's)

On Saturday, September 5, 2015, McDonald's management located what appeared to be a credit card skimming device inside their drive-thru window and notified police. An El Segundo Officer responded, took possession of the device and confirmed it to be a portable credit card reader. At this point, there is no evidence the credit card reader was used to steal individual credit card numbers. McDonald's management and their employees are cooperating with this ongoing investigation.

Any information should be directed to Detective Brandon Browning at (310) 524-2277.
