A residential burglary occurred on January 11th, 2016, at approximately 11:16 AM in the 300 block of W. Palm Avenue. A witness called 911 and reported three suspects were observed burglarizing a residence. As officers arrived on scene, two of the suspects, Liberato and Oxlaj were quickly apprehended and booked into the El Segundo jail for 459 PC-Burglary. The third suspect, Francisco, was not located after an extensive search of the residential area.

During their initial investigation, officers learned the three suspects entered the city via the Metro Green Line and exited at the Mariposa and Nash station. The suspects then rode their bicycles to the residential area of El Segundo looking for an unoccupied home to burglarize.

After knocking on several front doors and explaining to homeowners they were lost, they located an unoccupied home in the 300 block of W. Palm Avenue. Two of the suspects walked to the side of the home and entered through an open bathroom window while the remaining suspect remained outside as a lookout.

Detectives were able to identify Francisco through his co-conspirators and apprehended him leaving his home in the 600 block of W. 46th Street in Los Angeles on February 11th, 2016.

Francisco was booked into the El Segundo Police Jail for 459 PC- Burglary and was held on \$20,000 bail.

All three suspects are still in custody and are scheduled to appear at the LAX Courthouse on February 18th, 2016, for their preliminary hearing.
