## Press Release

**FOR IMMEDIATE RELEASE**

**May 11, 2015**

### **Major Traffic Collision El Segundo Detectives Rescue Victim Pinned Under Vehicle**

On May 5, 2015, at approximately 2:20 pm, a vehicle struck a pedestrian in the parking lot at 300 Richmond Street.

Following impact, the pedestrian, an 80 year old female resident of El Segundo, suffered significant injuries and was pinned under the rear tire of the vehicle. El Segundo Police Detectives monitored the radio call and rushed to her aid from the police station across the street.

Upon arrival, the three detectives, with the assistance of a witness, physically lifted the vehicle and freed the elderly woman.

The El Segundo Fire Department subsequently arrived and treated her for her injuries. The woman was transported to the hospital with significant injuries to her back and leg and she is currently in stable condition.

Video of the collision and rescue was captured by an area surveillance camera.
